Parent Help Needed! Please check one of the following ways that you would be willing to help this year:

- Small Group Trek Leader: *Work with a group of 6-8 students on 7 Trek nights. For leaders of 7th graders: Curriculum provided, meet at 5:30 with other leaders for idea-sharing. Short training at LWLC in early September. For leaders of 8th graders, no training needed, as there's no curriculum. We'll be hearing someone's faith story at each trek, and then diving into small groups to discuss. Easy and inspiring!*
- Home Huddle Host *(A small group of students meets 6 times at your home for pizza & learning time. You're responsible for getting the pizza – we pay you 1 lump sum at beginning of yr. Someone else leads the group.)*
 - Do you have a dog or a cat? Please list here: _____*
- Home Huddle Leader *(A small group of students meets 6 times at the Home Huddle Hosts's home for pizza and learning time. You would lead them in the lesson, following an easy curriculum. Leader training will take about a half- hour in early September.)*

Background Check for all adults working with youth: We are required to do a background check on all adults working with children and young people. If you checked that you would volunteer for any of the above, please go to www.ministryopportunities.org/LivingWatersSR and fill out a background check. If you have done this in the past, it covers 3 years. Thank you!

Is your child allergic to dogs or cats so that s/he can't be in a house with pets? If so, please write down which animals your student is allergic to: _____

(over)

Adult Mentors: Each student will need to choose an adult mentor that they have throughout their confirmation years. Mentors meet with 9th graders twice during the year, but only once per year (during Lent) when students are in 7th and 8th grade.

The mentor cannot be the student's parent. The mentor doesn't have to be Lutheran, but does have to be Christian ☺ Often, parents become a mentor for their friend's child, and vice versa. Returning Lifewalkers from last year should already have a mentor, but please give us your mentor's name again, to verify. Thank you!

Name of student's mentor: _____ Email: _____

Address of mentor: _____ Phone: _____

Photo Release: If you give permission for Living Waters to use a photo of your child (within a group of students, or individual, while doing Lifewalker activities) for use on Facebook or the church website or other communications, and never labeled with the child's name, please sign here.

Parent/guardian signature for photo release: _____
