Council President Update

Hello!

As you know April 10 we held a special meeting of the congregation to call a new pastor. Jeff Moon, chair of the Call Committee, introduced us to Pastor Charles “Jake” Dyrhaug (pronounced deer-hog, like the two animals). Pr. Jake meets the top criteria identified by the Transition Team and is an impressive fit for Living Waters. He has been married to his wife, Steph, for 33 years and has two adult children, Kari and Ben. He is a Bemidji native who attended Concordia-Moorhead then Luther Seminary. He has served congregations in Albertville, Battle Lake, Little Falls, and Wahpeton. He’s also a gifted musician, plays piano, guitar, drums, etc. Ask him about being called “Phil” !!

We had 132 voting members (two times more than our minimum required!) attend the special meeting, and the vote was unanimous to call Pr. Jake. The Call was extended and he has formally accepted. His first Sunday with us will be May 29, 2022 and his installation with the Synod present will be Sunday, June 5, 2022.

While we look forward to welcoming Pr. Jake, this also brings an end to our time with Pr. Ann’s leadership. We are so grateful to her for steering us through this transition! Her last Sunday with us will be May 15, 2022. Please plan to attend service that day as we give thanks for her time here and blessings for her next call.

Thank you to everyone who worked on the various committees to get us to this point!
Blair Schrader

Worship and Music Team

Christ is risen. Alleluia. Happy Easter everyone. I want to send a big thank you to those who volunteered with LWLC's Easter Celebration. Whether you helped with music, brass, or changing the altar, you helped make it a big success.

Upcoming worship celebrations include Pentecost, Pastor Ann's farewell, and the arrival of Pastor Jake. Looking forward to the future with Pastor Jake to enhance worship music with instruments and vocals. If interested in utilizing your time and talent in worship please let Brad Giese know by email at gieseb76@gmail.com.

Brad Giese

Outreach Team

Greetings LWLC family and friends. This month has been filled with transitions and change. Just like spring brings new life to the world around us, we hope it does the same to our community at LWLC.

Our partnership with Second Harvest has been a great learning opportunity for the team and people we serve. We received our first delivery and were so surprised how the money and donations can stretch. An example of this is our buying power. Eggs have been around $3 a dozen lately and we were able to get 15 dozen eggs for .27 cents! We were able to get bread for $1.50 for 13 loaves. We are also able to get donated and discounted items like milk and produce. We will be shifting how we ask for your help. Instead of food items, what we really need is monetary/money donations. We have such a great buying power with this partnership and would like to keep this going for the future. Please make sure to mark your offering to the food shelf if you would like to help our efforts. Be on the look out for events in the future to support our food shelf. If you are interested in volunteering on Fridays from 10:30 am-12:00pm please contact Leann Giese or Terry Sylvester.

Thank you to everyone who volunteered their time and talent for our food drive. We collected over 1500 food items. Your efforts are appreciated. We hope to continue this tradition for years to come.

Leann Giese

Personnel Team

We have several exciting candidates for our office coordinator and church technologist positions. We are working out details so that pastor Jake can need involved in the interview process.

We want to pass on sincere thanks to everyone helping to cover these positions in the interim, most especially Theresa Jones, Brenda Wright, and Pastor Ann. Thanks also to our faithful Sunday morning tech team.

Aaron Sufka

Congregation Life

Greetings Living Waters! I'm pleased to be the church council liaison for Congregation Life this year. I would like to fill you in on some upcoming events and ask for your help.

Reviving Sunday morning fellowship time –

Starting on Sunday, April 24, we will have coffee, juice, and snacks available on a trial basis this spring. We will have fellowship time BEFORE and AFTER the church service. Since we will continue with a single church service this spring, we thought it would be a good idea trial fellowship time before the service. Come early! Coffee will be on at 9:00am.

I would like to ask for volunteers to prepare and serve refreshments for fellowship time. Commitment will be to:

- Bring your favorite cookie or snack.
- Prepare coffee and lemonade and set out snacks at 9:00am.
- Replenish as necessary at the end of the service.
- Clean up kitchen afterwards.

There will be a sign-up sheet on the serving counter in the kitchen. Online sign-up will be coming soon.

Stay tuned for some important upcoming events –

- We will be saying goodbye and a big thank you to Pastor Ann in May for her leadership as interim pastor. This will be on Sunday, May 15.
- We will be welcoming our new pastor, Jake Dyrhaug! His installation will be Sunday, June 5.

Please let me know if you can assist with these events (tcsatre@charter.net).

COVID-19 Plan for Living Waters Lutheran Church

Living Waters Lutheran Church is committed to providing a safe and healthy space for all who enter our building. To ensure we have a safe and healthy place to work and gather and in response to the changing nature of the pandemic, we have updated our COVID-19 Plan that was initially implemented August 20, 2020. Our goal is to protect members, visitors, and staff who may be at higher risk for severe disease and prevent overwhelming our health care system.

As followers of Jesus, we seek to reach, teach and care for God's world as a welcoming and inclusive community

Our COVID-19 Plan follows guidance developed by the Centers for Disease Control and Prevention (CDC), the Minnesota Department of Health (MDH), and our local health care authorities. It addresses when the following public health measures will be needed:

- Quarantine and isolation
- Masking and physical distancing
- Restrictions on activities and gatherings

Quarantine and Isolation

Church staff and members should quarantine and stay away from others when they have been in close contact with someone who has COVID-19. They should isolate when they are sick or if they have tested positive for COVID-19 (even if they don't have symptoms). See CDC guidance for details at: https://www.cdc.gov/coronavirus/2019-ncov/your-health/quarantine-isolation.html#anchor_1633109391123

Masking and Physical Distancing

LWLC will follow CDC guidance regarding the need for masking and physical distancing based on levels of COVID-19 in our community (Benton and Stearns county): https://www.cdc.gov/coronavirus/2019-ncov/your-health/covid-by-county.html. LWLC staff will monitor this website on a weekly basis and respond accordingly.

As of CDC guidance dated February 25, 2022, when COVID-19 community levels are high in Benton or Stearns county, LWLC will require masks at all indoor gatherings and events. Additionally, LWLC may arrange seating and gathering spaces to allow for physical distancing between households if desired.

When COVID-19 community levels decrease to medium or low, these measures will be lifted.

Restrictions on Activities and Gatherings

LWLC will take guidance from local health authorities if in addition to high community levels, COVID-19 is also placing a dangerous strain on the local health care system and additional public health measures are recommended. This may include temporarily moving to virtual worship services, moving other church events and gatherings to online platforms, instituting no-touch alternatives for offering and sharing of the peace, suspending the serving of food or drink, and/or closing the nursery. This will be a decision of the church council.

Special Meeting of the Congregation Minutes: April 10, 2022

Special Meeting of the Congregation—Pastoral Call
April 10, 2022

- 134 Confirmed members of LWLC were in attendance
- Blair Schrader, LWLC Council President, call to order – 9:00am
- Agenda for the meeting shared
- Jeff Moon, on behalf of the Call Committee, introduced Reverend Charles Jacob "Jake" Dyrhaug as the Call Committee's selected candidate for Lead Pastor for LWLC
- An introduction video made by Pastor Dyrhaug was played
- Motion to call Pastor Charles Dyrhaug – Will Towner, Mara Jahnke second
- Questions were taken from the floor and answered by Blair Schrader or Jeff Moon as follows:
  ~ How soon might the candidate be available? The best estimate is late May due to need to work with his current congregation and SW Mn Synod for installation
  ~ What is Pastor Dyrhaug's stance on the lead Pastor having a role with fundraising and stewardship? The Call Committee had questions directly referring to stewardship. Pastor Dyrhaug has done prior special funding projects, time and talent surveys. He describes this as a long-term project for stewardship and has done specific readings. He endorses an abundance mentality over scarcity.
  ~ What is to be done about current open positions (Office Coordinator and Church Technologist)? Pastor Dyrhaug has expressed interest in at least reviewing the candidates, which can be accommodated by Personnel.
  ~ Is Pastor Dyrhaug relatable to children/youth? Pastor Dyrhaug had prior church camp work while in college. He believes in leading the youth programming while equipping lay members to fulfill some functions. He believes the lead Pastor should handle confirmation.
  ~ Question raised about our budget and compensation per synod guidelines? The congregation passed a budget at the annual meeting. This current budget is sufficient to cover synod guidelines for Pastor Dyrhaug. Also shared was a prior congregational approval to pay at synod guidelines. Pastor Dyrhaug's compensation would be lower than our current compensation for Pastoral staff.
  ~ Is Pastor Dyrhaug open to "house calls?" Conversation with the Call Committee revealed that Pastor Dyrhaug believes that ministry within the community at large is important.
  ~ Question about the Pastor's relationship with different groups within the congregation (gender, orientation, disabilities etc). The Call Committee found Pastor Dyrhaug to be very open and welcoming. He understands that we have low racial diversity, but there are other diverse groups within our congregation. There were no indications that he would have any difficulty embracing these groups equally
- President Blair Schrader – Call to vote on the motion - 9:23am
- Votes were counted by assigned council members.
- The vote was unanimous
- Announcement that the Call process will proceed with Pastor Charles Jacob Dyrhaug - 9:29am
- Motion to adjourn - Carolyn Neubauer, Dan Pederson second.
- Meeting adjourned - 9:30am

A special word of thanks to the Call Committee for the time, effort, and diligence in searching for a pastor to serve Living Waters. Please take time to thank them: Jeff Moon, Bryn Muehlbauer, Cheri Satre, Kirsten Stiegel, Paul Raduns, and Holly Janson. Your work is appreciated!

Living Waters has seen a lot of changes in the past couple of years. I can speak to the past 14 months. You've taken time to look at your past and your present so you can try to figure out how to move into the future.

The future is unknown, but you have the opportunity to shape what that will look like. Will LWLC be different from other mainline churches and slow or stop the decline in attendance? Can you be so bold as to believe that you can grow as Christians in your individual faith journey, in your faith journey as the Living Waters community, and as the larger body of Christ?

To be certain, there will be challenges, but God promises to be with you in the midst of all the new things you will be facing. As those new things present themselves, I invite you to look at them as opportunities to see where God might be leading you. A new future will may include discomfort and require new ways of doing things. You'll have to decide if you want to boldly move into the future or continue to do things the way you've always done them. There's a saying that comes to mind: "Insanity is doing the same thing over and over and expecting different results." I know you can accomplish challenging things.

I pray that you are energized by the Holy Spirit

- to look at things with new eyes
- to hear things with new ears
- to experience God's love with new hearts
- and that you share the energy and love of God with all those around you as you seek to carry out the mission of LWLC: "As followers of Jesus, we seek to reach, teach and care for God's world as a welcoming and inclusive community."

Living Waters has people that can help carry out God's mission in the community and beyond. I'm thankful to have had the opportunity to work with many of you. I'm looking forward to seeing where God leads you in the future.

I will continue to pray that God's love continues to transform lives through you.

God's blessings to all of you!

LuMin of St. Cloud (Lutheran Campus Ministry) is running to the future, and we invite you to join us. We will be running in the Ragnar Minnesota relay happening

August 12-13, 2022 and we need support. 12 runners, 2 drivers and others cheering them on, praying for their safety, and financially giving towards their efforts, all so LuMin can continue to be an inclusive, Christ-Centered community for college aged students in the St. Cloud area.

Here is how it works…

12 runners take turns running in 36 segments from St. Paul to Duluth. This means each team member will run 3 segments totalling 15-26 miles in 2 days. When one runner is out on course, the rest of the team is in the van, encouraging others, bonding with each other, or getting some rest.

The 12 runners commit to participating in the event and paying to offset the entry fee of $150 (tax deductible donation to LuMIn). Each runner fundraises from congregations, family, and friends to support LuMin's ministry. LuMin will help by connecting runners to local congregations, setting up a crowdsourcing fundraising page for you, and providing event logistical support and some awesome team swag. For more information about Ragnar events CLICK HERE

Not the running type, but enjoy long drives with sweating people who know the importance of vibrant campus ministry? We need 2 van drivers, too.

Our team is also responsible for providing event volunteers, so if you want the fun of this event in a 4-6 hour amount of time with no running? Please consider being one of our volunteers.

There are so many ways to support this effort. If you are willing to do any of the above mentioned team roles, please click this link to the interest form. LuMin runs Ragnar MN Interest form

And of course, we are doing this because we understand the importance of campus ministry.
Your financial support is incredibly valued. To donate to this effort, please click the donate button at this link Support LuMIn in St. Cloud
