## Painting Assistance Needed

LWLC is looking for people who might like to provide assistance with painting the interior of the house next door which Living Waters is currently renting to Lutheran Social Service for its Youth Resiliency Program. LSS meets weekly with youth who come from the area, working on skills with them and providing support. Let us know at the church office if you'd be interested in painting! We are currently entering a lease agreement with them and want to maintain the house well.
