**Healing Haiti's** mission is Serve and be Served. From delivering water in Cite Soleil to helping in orphanages and comforting sick children, team members make a real difference. Their trips are consistent with their values of coming alongside their Haitian brothers and sisters, and not doing for them what they can do for themselves but to serve and in doing so, be served. 15 members will be traveling to Haiti from October 18-25, 2021.

**Yes Network's** mission "dedicated to creating vibrant, loving, prosperous engagement with youth and families in the neighborhoods in which they live. Vision "engaged youth and active parents playing and working together will foster safe neighborhoods, healthy families and strong communities.
